Dear Perry,

I just wanted to drop you a line to thank you so much for the brilliant drivers' briefing you did for the Revival. You had everyone in stitches and as far as Stirling Moss was concerned, it was definitely the highlight of his whole weekend - he talked about nothing else. Your future as an entertainer is definitely assured!

Thanks so much for bringing such a light touch to the proceedings and very much hope to see you soon.

Yours ever, Charles March, Goodwood

Perry is a one-off when it comes to TV. He's one of life's bubbly characters and is a real plus for a programme maker. Add to the mix his knowledge of Motor Racing, and he was certainly one of the stars of our show.
